I authorize my child's physician, nurse, or other Oberlin Pediatrics employee to leave messages pertaining to my child/children at the phone numbers I have listed above.

In the absence of the parent/legal guardian, I give the following person(s) permission to seek treatment, obtain any prescriptions or other medical forms, for my child from Oberlin Pediatrics. I also realize that the person listed on this form or the person with my child may have access to pertinent protected health information if medically necessary. This authorization will be valid until otherwise rescinded.

## Vaccine Policy

The physicians and staff of Oberlin Road Pediatrics fully support the efficacy and safety of vaccines. We follow the American Academy of Pediatrics (AAP) standardized schedule for implementation of vaccines, and the North Carolina State Law as the MINIMUM requirement for vaccine administration for our patients. Oberlin Road Pediatrics expects our patients to be immunized on time, starting with the Hepatitis B vaccine in the neonatal period.

If you are transferring your child into our practice from another medical provider, we will review the child's immunization records. If we determine that your child is significantly behind on shots, you will be asked to schedule a vaccine consultation with one of our physicians before we will see your child as a patient. We will work with new families to comply with vaccine recommendations and get back on track. However, if a requested vaccine consultation does not occur or if you are not willing to comply with NC vaccination laws, then Oberlin Road Pediatrics is not the right practice for your family, and we will not accept the child as a new patient.

We are happy to discuss your questions about vaccines during Well Child appointments. If there are extensive concerns or questions, parents will need to set up a separate vaccine consultation appointment. It is important to understand that this visit may not be covered by insurance and parents will be responsible for paying for this consultation at the time of service, which may range in cost from \$100-\$200 depending on the amount of time spent with the physician.

**Signature of Parent/Guardian:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Vaccine Consent Form:** By signing this consent, you are giving us permission at this, and future appointments to vaccinate your child, you will be offered a Vaccine Information Statement (VIS) explaining each vaccine and information about vaccines.

I, parent/guardian of \_\_\_\_\_ have read the vaccine policy and give permission for age-  
(Child's Name)  
 appropriate immunizations to be administered.

**THIS POLICY ONLY NEEDS TO BE SIGNED IF YOUR CHILD IS UNDER 1 YEAR OLD.**

## Vitamin K Policy

Vitamin K is needed to help blood make healthy clots. Bleeding from not having enough vitamin K can result in profoundly serious complications, such as liver dysfunction, neonatal strokes or even death. Babies cannot absorb enough vitamin K from either oral medication or from breastmilk. An intramuscular injection of vitamin K has been the standard of care since 1961 because it is the safest way to ensure that we prevent neonatal stroke from Vitamin K deficiency.

I certify that I have followed the neonatologist's or pediatrician's recommendation, and my baby has received vitamin K in the hospital. If for any reason my baby has not already received IM vitamin K, this will be done on the day of the initial visit, which will require a return visit to the hospital. Refusal to do so signifies a significant break in the physician-patient relationship and ORP will not schedule any further appointments.

## Financial Policy

Thank you for choosing Oberlin Road Pediatrics as your child's medical home.

Our goal is great quality care, with open communication and clarity about financial responsibility.

(initial)

\_\_\_ **Insurance:** We participate with most insurance plans. Your insurance coverage and benefits are a contract between you and your insurance company. Please provide a copy of your insurance card at each visit.

\_\_\_ **Services Not Covered by Insurance:** It is your responsibility to check with your insurance company to determine covered benefits. The patient/guarantor is responsible for 100% of charges the insurance company chooses not to cover, including but not limited to co-payments, deductibles, vaccines, developmental screenings, and after-hour/weekend appointment charges.

\_\_\_ **Well Child visit services:** Well Child checks are preventive care services meant to evaluate the child's growth, development, discuss preventative care, and review and administer vaccinations. If you have additional concerns that you would like to address such as fever, asthma, ear infections, initiating/changing a medication, ADHD etc., or if your child is medically complex, your insurance company may bill you an additional co-pay or apply this portion of your visit to your deductible. The physicians at ORP code accurately and by the Medicaid rules that govern all insurance plans, so we may bill for both a Well visit and a Sick/Medical concern in the same visit. This cost for the additional concerns may go patient responsibility.

\_\_\_ **Portal/Phone/Telemedicine Visits:** We are implementing a policy regarding charges for certain virtual visits such as patient portal messages and phone calls to ensure we can continue to provide high quality, timely care for our patients without requiring in person office visits when circumstances allow.

This would include any in-depth medical decision-making questions and concerns or take longer than 5 minutes to address such as:

- New symptoms or concerns not previously discussed
- Requests for changes to medications and treatment plans
- Inquires related to chronic conditions or follow-up care

We will bill your insurance for these visits, and you may be responsible for a copay or deductible.

Please note that most routine inquiries, such as requesting refills, will continue to be free of charge.

\_\_\_ **Credit Card on File Policy:** We participate with CardPointe, a secure Payment Processing Platform such as the ones used for online retail stores. The stored credit card can be used to pay co-pays and charges at future visits. This service is secure, encrypted, and our staff does not have knowledge of your credit card number.

Circumstances when your card would be charged by Oberlin Road Pediatrics include but are not limited to:

- Co-pays and insurance deductibles
- Missed or canceled appointments without appropriate notice (see below)
- Any non-covered services and/or denial of services allocated to patient responsibility
- Any amount not paid by your insurance 90 days after a corrected claim has been filed

This in no way will compromise your ability to dispute a charge or question your insurance company's determination of payment. Any amount not covered by the patient's insurance including applicable deductibles, additional copay, etc. will be due 30 days from the time of service.

We will send a courtesy email that your statement is ready, and we will run the card on file for the balance due three weeks after the statement is run. If you have questions about your balance or would like to use another form of payment, reach out to our office and speak to the billing department.

\_\_\_ **For patients who don't have insurance or are not using insurance:** Per federal CMS rules, you have the right to request a Good Faith Estimate for the total cost of any non-emergency items and services. This includes related costs like medical tests and office fees. This is an estimate, not a bill. Please ask for a Good Faith Estimate at the time of scheduling your visit, and you will receive this in writing at least 1 business day before your appointment. For more information, go to [cms.gov](http://cms.gov). We offer a 25% discount to self-pay patients when paid in full on the day of the visit.

\_\_\_ **Financial Hardship:** Should you have extraordinary financial pressures; we will assist you with a payment plan. This plan will need to be IN WRITING with our billing department prior to scheduling future visits. No balance over \$500.00 can be carried on a family account unless a payment plan has been signed and the arrangement is followed. The balance should be paid off in the next 12 months.

\_\_\_ **Missed Appointments:** There is a \$50 no-show fee that will be charged to the credit card on file. Cancellation policy: Speak to an ORP employee at least 24 hours in advance for Well Child Checks or Medicine/Behavioral consults, or at least 3 hours for office acute care visits, Medicine recheck visits or vaccine appointments. After 5 missed appointments, we reserved the right to dismiss the family from the office. New patients to our practice who consecutively miss their first appointment twice in a row will not be rescheduled and will need to seek care elsewhere.

\_\_\_ **Form and letter fee** (daycare forms, school forms, camp, sports, allergy, individual school, or travel letters, etc.): There will be a \$10 fee (per child, per form) for forms that are completed outside of a Well Child scheduled visit. Most are completed in a timely way, but any form that needs "RUSH" completion of < 3 business days will have a charge of \$30. Individual letters from the physician will incur a fee of \$10/letter. Letters to return to activities or school excuses are free. Forms that can be completed during the scope of the visit are free.

\_\_\_ **Copying medical records:** With your written consent, we will provide you with a copy of your child's medical record for a fee of \$20 per child.

\_\_\_ **After-hour phone nurse triage:** After 8 pm (5 pm on Fridays) and on holidays, our phones transfer to an answering service. If you need medical triage advice, the call will be transferred to the Wake Med Nurse Triage services. A registered nurse will answer, address urgent concerns, and can page the on-call MD if needed. There is a \$22 charge for calls that need the Wake Med nurse triage service, and this will be billed directly to you. We will waive this charge for calls regarding newborns <90 days old or calls where the patient is instructed to go to the Emergency Room based on their severity of illness.

\_\_\_ **Service charges:** Keeping a credit card on file prevents most service charges. Service charges are only accrued if there are late payments, inaccurate insurance information, or failure to pay bills.

- Administrative fee associated with accounts turned over to collection agencies.
- Returned checks.

Any amount not covered by the patient's insurance including applicable deductibles, additional copays, etc. will be due 30 days from the time of the service.

Accounts will be turned over to a collection agency if past due 90 days or more. Failure to pay the balance may result in discharge from the practice.

The family is responsible for all collection costs involved with the collection of your account including court costs, reasonable attorney fees, and all other expenses incurred with collection if there is a default on any unpaid balance.

## Family Behavior Policy

Patient Name: \_\_\_\_\_

This practice is a family-friendly pediatric office caring for impressionable young children and their families. Although occurrences are rare, Oberlin Road Pediatrics feels strongly that our patients, their families, AND our staff deserve to be protected from verbal abuse and aggressive behavior. We are very aware that families under physical and emotional stress might not be on their best behavior. However, we all need to respect each other and to “follow the golden rule”.

We understand that disagreements may occasionally occur, and we encourage you to discuss these matters with us in a civil manner. We encourage constructive criticism. As we only improve when we know we are doing things wrong.

However, when discussions/conversations become overheated or rude, we have a “Three Strikes you are out” policy. This behavior will be documented in the family’s chart, and the parents will receive a letter with each infraction. If a third letter is sent, then the family is dismissed from our practice.

In addition, we have a “No Tolerance” policy when behavior becomes abusive, threatening, or aggressive. This behavior will be documented in the family’s chart and will result in immediate dismissal.

Failure to sign this contract will result in discharge from the practice.

Depending on the degree of infraction, we reserve the right to involve Child Protective Services, law enforcement, and other appropriate agencies should we deem them necessary.

Lastly, we ask that families refrain from wearing crude graphics and language on clothing and using offensive language.

Thank you for your interest in making the Oberlin Road Pediatrics office and grounds a wholesome and safe, family-friendly environment.
